

# 3300 Mission

## NEIGHBORHOOD NEWSLETTER

### ISSUE #7

March 14, 2025

## Schedule Update

### Upcoming Construction Activities – 3300 Mission Street Week of March 17 – March 21

- **Foundation and underpinning work** will take place at Mission Street & 29th Street.
- Process involves reinforcing and stabilizing the existing ground and adjacent structures before new construction begins.
- Crews will be installing structural supports, excavating beneath the existing foundation, and preparing the site for the next phase of vertical construction.

While site activity will be focused on this critical groundwork, minimal disruption to surrounding areas is expected.

## What to Expect

*Work hours are permitted and will take place between 7:00 am and 3:00 pm.*

For any questions or concerns regarding the construction, please contact Site Superintendent.

**BERNAL HEIGHTS**  
Neighborhood Center
