## Schedule Update

**Upcoming Construction Activities – 3300 Mission Street  
Week of April 14 – April 18**

Please be advised that construction activities will be ongoing next week as part of the foundation work for the project. Work hours will remain within approved limits.

### Scheduled Work:

- Formwork Installation
- Rebar Placement
- Concrete Pour (Footings)

**Inspection:** All foundation work will undergo structural inspection to ensure compliance with engineering and safety standards.

We appreciate your continued patience and support as we make progress on this important development. Additional updates will be provided as work advances.

## What to Expect

*Work hours are permitted and will take place between 7:00 am and 3:00 pm.*
